Communication Times are a Changin'

In an effort to keep everyone more informed throughout the month, the weekly email is being combined with The Communicator. The weekly email has a new title, 'The Weekly Communicator'. It will not only have the upcoming sermon title, bulletin articles and information about our various ministries but at the beginning of the month the calendar and Church Family News (birthdays and anniversaries) will be included. Hardcopies will be available in the Welcome Center and The Point. Our shut-ins will receive the calendar, Church Family News and the most recent edition of the Weekly Communicator.

The current email lists are combining so that everyone will get the information. If you aren't receiving an email, and would like to be added to the list, please contact the office with your email address. We will gladly add you to the distribution list.

These changes are happening for November and December to see how you like combining the two sources. Please share your comments with Melissa Barnhart or Linda Kennedy. Thanks.

Scripture Corner

Scripture Luke 17: 11-19 can you answer this question?

What did the Samaritan do that the others with leprosy did not do?

Answer from 10/6/19—(2 Timothy 1 :1-14) - “a spirit of power, love and of self discipline”.

Many Blessings,
Melissa Barnhart
