First Friday Fun Night

The Children's Ministry Team at Community UMC is excited to roll out a new monthly program for kids called "First Friday Fun Night". Parents can call it "date night" but no matter the title, let us engage your children in fun Christian activities while you enjoy a couple of hours to yourself. We provide a kid-friendly dinner, enjoy crafts, mission projects and games, as well as fun devotions. We are excited to use the video series "Clive and Ian's Wonder Blimp of Knowledge" to tackle some big questions about God. We hope your child can join us. Pre-registration required as space is limited!
