Volunteer Opportunity...Make Someone Smile

From time to time there are folks in our congregation that have medical or family situations that puts them in a stressful place. During those times, it's such a relief to not have to worry about preparing meals for a few days. One of the nicest and easiest acts of kindness is supplying a family with a meal. With that being said, we would like to establish a list of individuals that can be contacted when this type of need arises. For those that are limited on time or 'kitchen challenged', the drive-thru or food gift cards are always options. If you are interested or want more details, please contact Melissa in the office 740.474.4796 or email: [office@circlevillecumc.org](mailto:office@circlevillecumc.org) by Wednesday, Feb. 1 and you will be joyfully added to the list. Thank you so much for considering this request.

Family Ministry Update - Be a Part of the Future

We can all agree that children are the future of our Church. My goal this year is to help grow the children and youth ministry program here at Community. The immediate need we have is to get volunteer Sunday school teachers for our children. If you would be willing to give your time to help our young people, you will be a part of setting a foundation for these young minds and supporting the growth of our Church. If you are interested in helping in this way, please contact Pastor Carley Brewster at [Carley.brewster@circlevillemc.org](mailto:Carley.brewster@circlevillemc.org) or by text or calling 937.336.2767.

We are also looking to hire a children's ministry director 20 hours a week and a youth director 10 hours a week. If you or someone you know might be interested in one or both of these positions, please contact Pastor Carley.
