Please use these sermon notes as a jumping off point for your own spiritual journey. We know everyone is on their own pathway. We hope you will find this useful. Please see Pastor Marie if you have questions or if you want to take the next step in your faith journey.

Jonah 1: 1-3; 3: 1-4

Modern day prophets exist.

God continues to speak through prophets to correct, encourage and bring about change.

If we don't listen to the modern- day prophets, we run the risk of becoming the modern day pharisees of Jesus day and the pagans of Paul's day.

Prophets speak on God's behalf in order to correct our behavior as a faithful community.

Prophets warn about the harm that is done against the marginalized in our society.

Prophets point out injustice in our families, communities, and nation.

Prayer of Confession

... rather than using them to serve others.

Forgive us, O God.

..... rather than increasing understanding and unity.

Forgive us, O God.

.... and build up the whole community.

Forgive us O God.

...we are acknowledging our total allegiance to, and love for Jesus.

Merciful God, forgive any lack of commitment by us

to love as Jesus loved and to serve as he served.
