Christmas Angel Sign Up Sheet

It's getting to that time of year when our Christmas Angels come out.
The annual Christmas Angel program is starting up and we are looking for folks to be Christmas Angels. We get family information from area schools for those that are struggling to provide Christmas for their children. The Christmas Angel contacts the family, interviews the parents/guardians, and compiles a gift list for each child. Those lists are turned into gift tags and made available to the congregation. The congregation purchases and wraps the gifts they chose. The gifts are collected and made ready for delivery along with a care basket and food gift card.
The Christmas Angels then arrange drop off to the family. Christmas Angels from previous years have shared very positive experiences when working with the families. No worries if you haven't done this before and would like to participate. Instructions will be provided with help along the way. Would love to have you be a part of this very special program. Look for a sign-up sheet in The Welcome Center and The Point. Questions? Contact Melissa Barnhart at office@circlevillecumc.org or 740.474.4796.

Community Kids

Community Kids had a wonderful time decorating pumpkins at the Pumpkin Show Harvest Tent!
In November, we will celebrate God's goodness and discover the importance of giving thanks for the many blessings and gifts He has given us.

Don't forget to set your clocks back this Saturday evening.
Enjoy the extra hour of sleep.
